Dear Travelers,

In this new catalog there are lots of new tours, some old favorites, new gaming tours, plenty of shows and several weekend and mystery tours as well.

Please take a moment to read the **Terms and Conditions** in the back of this catalog. If you have questions please give us a call and we will be happy to speak with you.

Here are a few helpful touring hints:

Please note that some tours require that you sign up early. Most shows, hotels and restaurants require 30 -45 days notice for regarding group tours. This means that we must tell them if the tour is going at least a month prior to the tour departure. If you sign up early and pay your deposit you will be guaranteed a seat on the tour. If we do have to cancel the tour then you will receive a full refund for your deposit. Also, you may call and sign up within the 30 days as we can usually add to a tour that is going but there is no guarantee that space will be available.

We do our best to arrange great affordable tours for anyone who desires to travel. This family owned business began in 1991 and continues to grow because of travelers like you! We would love for you to come take a tour with us.

Tour Confirmation: Once you have signed up for a tour your confirmation packet will arrive 2 weeks prior to the tour departure date. This package will have directions to the pickup point, receipt, names of hotels and specific tour information such as what to wear or special things you may wish to bring with you on that tour.

We offer travel protection for overnight tours. Please call the office for details.

People have asked why they should travel by motorcoach. The answer is you don't have to drive, you don't have to worry with parking, groups usually get great seats at shows and you will meet new people. This is a great way to see the country!

Our catalog is available online at www.LTbus.com under the adult tab. Please call our office to sign up for our email blast for special tours and information.

**Thank you for traveling with us!,
