Hello Travelers,

Welcome to the 2026 Vol 2 Tour Catalog! It is time to read about all the day tours and overnights that we have added for this Fall and early Spring. There is something in this book for everyone's budget. With rising costs everywhere, we have done our best to keep our tour costs as low as possible. We have added a lot of new tours and we hope that you like them. If you have any questions please give us a call.

Here are some frequently asked questions:

When do I need to sign up for a tour? SIGN UP AS SOON AS YOU SEE THE TOUR LISTED.

For overnight tours, most shows, hotels and restaurants require **60 days-notice** regarding groups. This means that we must tell them if an overnight tour is going at least 2 months prior to the tour departure and 30 days prior to departure for day tours. If you sign up early and pay your deposit then you will be guaranteed a seat on the tour. If WE have to cancel the tour then you will receive a full refund for your deposit. Also, you may call and see if space is still available and maybe sign up for a tour within the 30-60 days but there is no guarantee that space will be available.

Who travels with us? We do our best to arrange great affordable tours for ANYONE who desires to travel. The tours in this catalog are designed for people from ages 18-95. We would love for you to come take a tour with us.

Will I get a tour sign-up confirmation letter?

The tour confirmation packet that confirms the tour time of departure will arrive approximately 2 weeks prior to the tour departure date. This package will have receipts, directions to the pickup point, names of hotels and specific tour information such as what to wear or special things you may want to bring with you on the tour.

Do you offer travel protection? We offer travel protection for overnight tours. Please call the office for details. Once you have signed up for a tour and purchased travel protection then you will receive a packet about that travel protection via email.

Why should I travel by motorcoach? The answer is that you don't have to drive, and you don't have to worry with parking. Groups usually get great seats at shows and you will meet new people. This is a great way to see the country! Please take a moment to read the **Terms and Conditions** in the back of this catalog. If you have any questions, please give us a call and we will be happy to speak with you.

Our catalog is available online at www.LTbus.com. Please call our office to sign up for our email blast for special tours and information.

Tours are filling up fast! Better call as soon as you see a tour that you wish to sign up on to be sure that you get a seat on the bus.

Thank you for traveling with us!
